

Hard-Drive

Registration Fees: ₹40 per head

Prize: ₹1000 worth

Description :

The participants have to push the boxes towards the center.

There are a total of x boxes around it and the one who completes the task in the least amount of time is the winner.

The event is all about how meticulously and swiftly you handle and accumulate the boxes scattered over a specified area within a short period of time.

Participants will be explained the controls of the provided bot and will be given some time for warm up. The time allotted for the same will be 60 seconds.

The Actual attempt will be a total of 3 minutes maximum. Points scored after the time limit won't be counted.

Rules:

BOTS will be provided by the organizers.

In case of BOT being entangled in wires, the volunteers will help and the timer will be paused. NO EXTRA TIME WILL BE PROVIDED.
